**All of Roger Price's
Bible Studies
on 3 Disks!!
Church Leaders
- please note!**

For some time now, since all of the Bible studies have been digitised we have been able to produce MP3 files on **CD-Roms**. All of Roger's work is recorded on 21 of these disks. A number of you have already obtained complete sets .

We realised that it would be possible to pack all 99 of the MP3 files of the Basic Bible Studies onto a single **DVD-Rom** and the Special Topics studies, Fellowship Life Studies and the Training Course, a total of 194 files, onto two more **DVD-Rom** Disks.

As in the case with CD-Roms these disks cannot be played on a standard CD player. However they can all be played on a computer equipped with a DVD drive or a reasonably modern DVD player.

Indeed, a church in Kent is running a series of systematic Bible teaching courses in their house groups based on the BBS Series. We also supplied copies of the 'Salvation' book for members of the group to complement the teaching.

They have recently finished the first series on Salvation and the feedback from their house group members has been very encouraging. After a short pause they will soon start on the second series on Judgements.

If your church would like to consider running a systematic Bible teaching course based on the these studies then may we commend these DVD-Roms to you as there is a considerable cost advantage compared to the audio CDs or the CD-Roms.

Whereas a full set of **99 BBS audio CDs is £290** and the BBS MP3 CD-Roms on 8 disks are £220 a set, the MP3 DVD-Rom is **only £160.00** The pair containing the other STS, FLS & TC studies is also considerably reduced at £310.00 and the cost of all 3 disks together is only £450.00.

New books by Derek Walker

We have some new publications by Derek Walker, Bible Teacher and Senior Pastor of Oxford Bible Church.

Daniel's Seventy Weeks is a development of the work by Sir Edward Denny

"Did you know that there is a prophecy that predicts the exact time of the coming of the messiah? This book reveals the countdown to the Messiah given by Daniel's 70 weeks and how it even points to the very day of the resurrection, confirmed by two amazing signs in the heavens! Therefore it offers compelling proof that Jesus is the Messiah. Students of prophecy will find that this book contains important **NEW** information that solves the mysteries of the 70 weeks and reveals their full riches, resulting in a more accurate understanding of the end-times."

The Sabbath Issue addresses the controversial issue of the Sabbath Law.

"Are we still under the 10 commandments? How does the Law of Moses apply to us today? Does God require us to keep the Sabbath day? If so is it Saturday or Sunday? Is Sunday the Lord's day? Should we take a weekly day of rest? Do the food laws of Moses still apply to us today? What is the right way to discover the wonderful Jewish roots of our faith and what are the dangers? These questions and many more will be answered as you let this book take you on a journey into a deeper understanding of the Bible."

Mount Moriah, Golgotha and the Garden Tomb is his most recent book.

"The central events of history are the death and resurrection of Christ. This book, filled with diagrams and photographs from Jerusalem, reveals exactly where these momentous events took place. The Bible will come to life as you see in detail how the drama of redemption was acted out on Mount Moriah in perfect fulfilment of prophecy."

These 3 books are each priced at £8.50 plus £1.50 UK P&P

The BBS Library System

Some time ago the Basic Bible Study tapes were sent out on a donation / free-will offering basis. Producing the tapes became increasingly expensive, and after prayerful consideration we decided to change the system by which the BBS tapes are made available. We now run a lending library system for those who are genuinely unable to contribute to their cost. If you wish to obtain BBS tapes (N.B. Tapes only - not CDs) from our library, complete a Library Request Form, if you have one, or write saying that you wish to borrow the tapes. Include any contribution you can afford, to cover postage. When you have listened to them and taken notes etc., return them with a request for 4 more. You will, of course, have to pay the return postage†.

These tapes are also available for purchase in the same manner as all our other tapes & CDs.

†If the tapes are packed flat and sent as a 2nd Class Large Letter the cost is currently 81p for a pack of 4 tapes. If stacked on top of each other the 2nd Class Packet Post is currently £1.51.

Want to be a Church Rep for CCF Tapes?

A number of individuals have bought tapes (or now CDs) for use in their church.

If your church wants to set up a **lending library** of our studies we can supply a set of the 99 Basic Bible Study CDs in a wallet together with a quantity of empty slip cases to lend out individual disks. A set of explanatory sheets which accompany a few of the studies is also included which can be photocopied to issue with the appropriate disk. We would make these disks available to Bona Fide Church 'Reps' at a considerable discount.

The Special Topic Studies, Fellowship Life Studies, or Training Course sets could be issued in the same way if these are what your congregation requires.

Alternatively, if you wish to use the studies as a resource in a Church Bible Study Session you might like to consider the DVD-Roms as mentioned on the front page of this newsletter

Please enquire if you are interested - contact details below.

Gift Aid

The Gift Aid scheme replaced the old covenant giving scheme in 2000. Under the new scheme, if the donor is a tax payer, the tax can be reclaimed by the receiving charity on any amount given. For example, when the payment for a purchase of £17.50 is made up to £20 the tax on the surplus £2.50 can be reclaimed.

This may seem small but when added to all the other small amounts it can be appreciable. All you need to do is contact our office, declaring that you pay sufficient tax to cover the reclaimed amount. We will then send a simple form for you to complete.

Claims can be made for gifts donated in the past since 2006. Please contact us if you are willing to help in this way.

Donations via 'PayPal Donate' button

A number of our customers have asked if it is possible to add a donation to the ministry when placing an order via our website. It is very encouraging to know that you value us in that way. We would have preferred to make such a facility an integral part of the shopping cart but this is not possible under the present system. Instead we have added a tab at the top of each page labelled 'Donations'. Here you will find a PayPal 'Donate' button which should take you to a screen on which you can state how much you wish to give. We trust that this method will prove satisfactory and thank you in advance for any donations received. Donations made this way can also be made 'Gift Aid-able' in the same way as any other gift.

Please make cheques payable to "CCF Tapes"

Payment can also be made by Credit or Debit Card.

Please state the type of card (Visa, MasterCard, Maestro, Solo, etc) as well as the card number, date of expiry, issue number where appropriate, security number from the back of the card, name on card and address.

If you don't want to write the security number, please phone it to our office
